

National Assembly of State Arts Agencies

KNOWLEDGE ★ REPRESENTATION ★ COMMUNITY

Thank you for registering for NASAA's web seminar, **The 2012 Election: Potential Outcomes Affecting the Arts**. As we mentioned during the session, this follow-up message contains additional resources we hope will be valuable to you as well as contact information for **NASAA legislative counsel Isaac Brown**. Isaac is available as a resource year-round to state arts agency staff and council members. Here are some good occasions to call Isaac:

- My state has elected a new member of Congress. What information should I share with her first?
- I'm planning a business trip to Washington. Can you help me set up any meetings with my congressional delegation while I'm there?
- I'm getting a lot of questions about legislation currently being debated in Congress. What's the scoop?
- I have an opportunity to speak with a legislative staffer next week. Can you offer some talking points?
